November 2017 Edition

Lisa's Lines

These words offered in prayer are my own and those
of Samuel F. Poe

O God, when I have food,
help me to remember the hungry;

When I have work,
help me to remember the jobless;

When I have a home,
help me to remember those who have no home at
all;

When I am without pain,
help me to remember those who suffer,

And remembering,
help me to destroy my complacency;
bestir my compassion,
and be concerned enough to help;

By word and deed,
those who cry out for what we take for granted.
God, grant us contentment, love, grace, and joy this
day, that we would offer it to all others.

Amen.

-Samuel F. Pugh

This month, my hope is that we as the Montrose United
Methodist Church, would recognize new and pervasive needs in
our community in order to reach out with our love and grace.

May God stir our compassion to movement in our bodies
to bring good news to all!

"How beautiful on the mountains are the feet of those who bring
good news, who proclaim peace, who bring good tidings, who
proclaim salvation, who say to Zion, "Your God reigns!"

-Isaiah 52:7

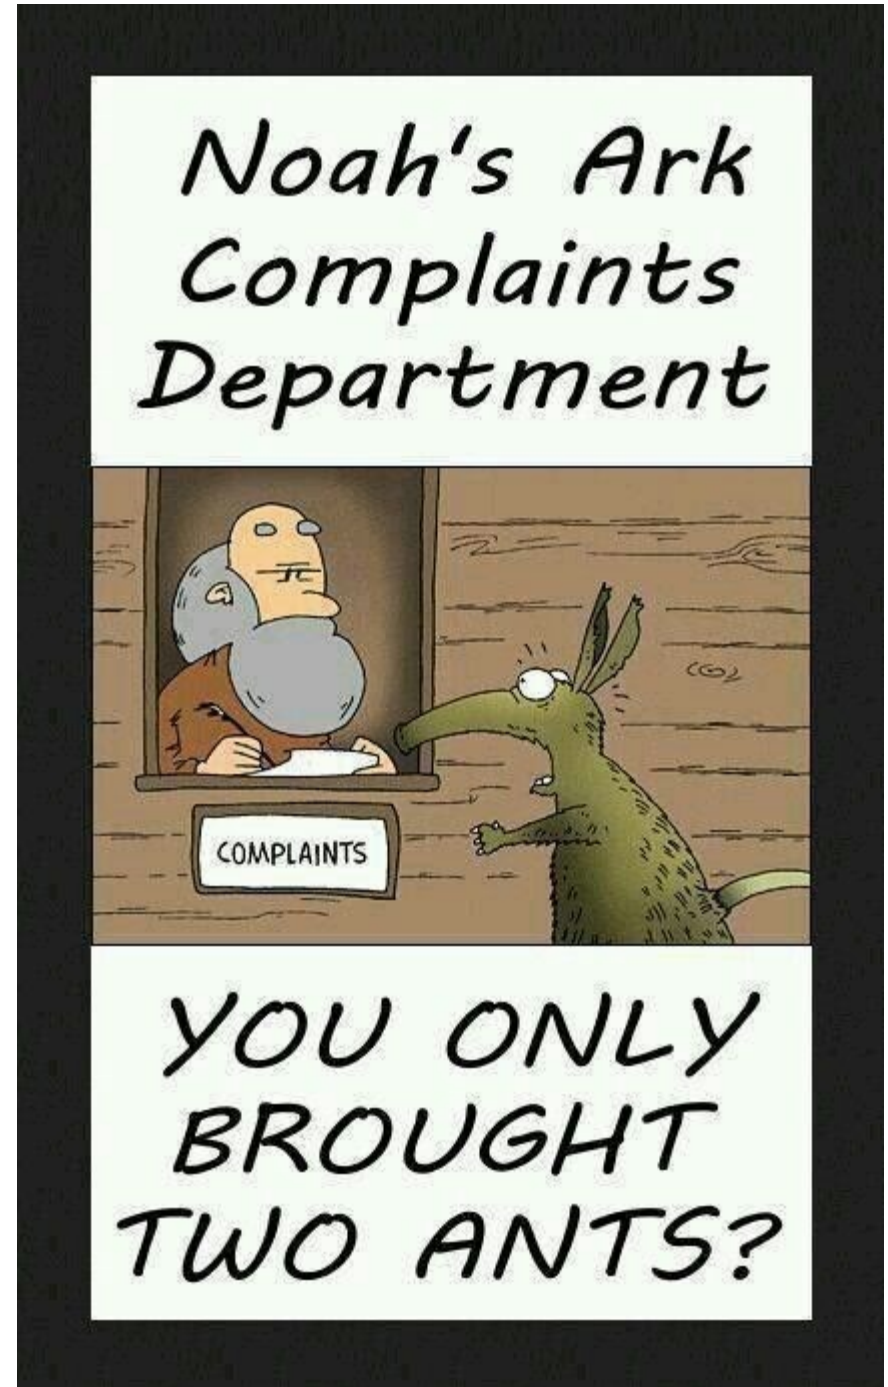

Notes from the Board of Trustees

Hello to All in the United Methodist Church of Montrose! I thought I would use a formal hello just because it sounded uplifting to be a part of this congregation! The Board has been discussing the maintenance and condition of our wonderful Church. This discussion comes as we are in our annual pledge time as well. It seems that everything is always happening in bunches. As we pursue these challenging projects, we thought it best to take a little time and pull you into the discussion. Please ask questions so that you completely understand the projects we are contemplating. As we open the discussion, we ask that you keep in mind the needs of the whole church even though you may have a pet project in mind. We struggle with these same challenges as we consider how best to keep our church beautiful and safe.

There are several challenging projects that we must pursue over the course of the next four or five years. These projects fulfill safety and security for our children and members. Our options will include fund raising, as they will be outside our normal pledge activities.

Here is the list of projects:

First. Make our Nursery safe and secure. The solid block glass windows are just like the ones in Room One and will provide security to the basement area from the furnace room to the Nursery. We have had a couple of break-ins over the years. Phase 1 was installing a security door near the Pastors office on the alley side. It has been completed.

The Purpose of United Methodist Women: The organized unit of United Methodist Women shall be a community of women whose purpose is: **To know God** and to experience freedom as whole persons through Jesus Christ; **To develop a creative** supportive fellowship; and **To expand concepts** of mission through participation in the global ministries of the church.

Second. Our bathrooms, near the Cross and Flame Café, need to comply with the American Disabilities Act. As our outreach for the Sunday Supper has increased, so has our need for bathrooms that handle our handicapped clientele.

Third, Repair the Sanctuary. This project can last four to six years. The issue is money more than time. The project can be completed in 3-4 months. We are in the process of acquiring multiple bids but the cost will be significant. Our Sanctuary needs to be repaired sooner rather than later. If you look up you can see what we mean. You have replaced the roof and that was very important, but as you can see, as plaster begins to peel, it will fall and there is a safety concern. We can do the Sanctuary in phases as the funds become available. The dome would be Phase I.

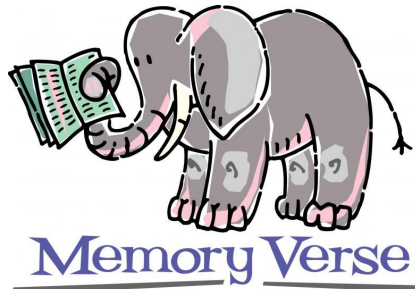

We do not have final costs on these projects as we are in the bidding process and will have to go through the Ad Council for construction permission. Please contemplate and pray for a clear vision as we pursue each of these projects. The Board of Trustees cares deeply about the physical plant and Historic nature of our Church that you have entrusted to the Board. We pray to be good stewards of your physical and financial resources. Further, we pray that each of these projects benefits all members of our wonderful congregation from our children to our seniors. May the Lord God of us all protect each of us in our daily endeavors.

Sincerely, Board of Trustees, MUMC
